

You are looking for a full-time position in an international strategy consultancy as a

Senior Project & Transformation Manager – Digital Delivery & Process Excellence

and would like to join us to ensure that as many eligible patients as possible are treated with innovative medicines and medical technology products?

**Location: Hannover Region/Hybrid;
alternative UK/Greater London, remote with regular travel**

Our clients in Healthcare & Life Sciences are leading innovators in pharma, biotech, medtech, digital health, and diagnostics. As part of Kintiga, Europe's largest independent specialist consultancy, and SKC Beratungsgesellschaft mbH, Germany's market access and pricing experts, we support the successful launch and reimbursement of breakthrough therapies and technologies.

Join our team and help shape the future of the most innovative healthcare solutions. At Kintiga and SKC, we foster a collaborative, entrepreneurial environment where every voice counts. We value diversity, openness, and integrity, encouraging our team members to bring their ideas and passion to work. You'll join a supportive, dynamic team that thrives on innovation, continuous learning, and making a real impact in healthcare and life sciences.

How you will create an impact:

As a Senior Project & Transformation Manager, working closely together with the group COO/ CTO, you will drive the digital transformation and harmonization of consulting processes, enabling agile project delivery and operational excellence for innovative healthcare and life science solutions across Europe.

- Lead and coordinate transformation projects to standardize and digitize consulting processes.
- Drive the adoption of agile and dual project management standards.
- Support configuration and implementation of project management software (Kantata).
- Ensure cross-functional collaboration between IT, Finance, HR, and business units.
- Manage risks, align workstreams, and deliver high-impact reports to management.
- Collaborate with external service providers and ensure quality delivery.

About you:

- Master's degree in a relevant field.
- Proven experience in project and transformation management, ideally in professional services and / or life science industry.
- Expertise in agile methodologies and change management.
- Strong stakeholder management and communication skills in different cultural settings.
- Fluent in English; German preferred.
- Willingness to travel across Europe.

What we offer on top:

Dynamic work environment with a **highly motivated team**.

Exciting **career opportunities** in a fast-growing international business.

Entrepreneurial culture, openness, and integrity.

A comprehensive **onboarding and mentoring program** as well as employee events

Individual development with extensive training and development programs.

30 days vacation and a **permanent position**

High-end digital equipment and **hybrid working**.

Modern, centrally located office space with a variety of healthy snacks

Attractive corporate benefits: wellbeing support, E-Leasing, employee events and much more.

Sounds good to you? Apply now!

We look forward to receiving your application, incl.

- Letter of application
- Curriculum vitae
- Complete certificates incl. high school diploma
- Earliest possible start date
- Salary expectation

"The collegial SKC team and the modern working environment is simply great. We support and can rely on each other, especially in busy times. It's great that everyone takes responsibility."

Britta Olowson, Manager Human Resources

"What drew me to SKC was its dynamic growth, streamlined decision-making, and the freedom to bring in and realize my own ideas."

Dr. Lara Schröder, Director Market Access

SKC Beratungsgesellschaft mbH | Pelikanplatz 21 | 30177 Hannover | www.skc-beratung.de/karriere

SKC Beratungsgesellschaft, MAP Patient Access and AxTalis are unified under the shared brand Kintiga.
